

"Preservation Ten: Tampa Bay's Most Vulnerable Historic Structures"

EXHIBITION UNVEILING, April 7, Mon, 7-9pm

CELEBRAT!ON '08 and the American Institute of Architects of Tampa Bay present...the unveiling of an important exhibition at the Tampa Museum of Art by award-winning heritage structures photographer, Todd McDonald. Acclaimed by Tampa Bay Magazine as the region's premier architectural preservation photographer—potentially Florida's most avant-garde—Todd has celebrated the region's most significant and endangered structures in a breathtaking black-and-white exhibit, certain to spark conversation and galvanize preservationists. Join the Tampa Museum of Art, The American Institute of Architects of Tampa Bay, Reclaiming Our Heritage.org for an exhibition and discussion over wine, "Preservation Ten: Tampa Bay's Most Vulnerable Historic Structures." \$20 suggested donation.
